Register for FSA ID: The Federal Student Aid ID is a self-selected username and password that both students and parents need to create in order to log into Federal Student Aid websites. The FSA ID will need to be created before you can sign and submit your FAFSA. We suggest creating the ID online at fsaid.ed.gov in the fall before the FAFSA becomes available on January 1st.

Free Application for Federal Student Aid (FAFSA): This form is required by all colleges and many technical programs. The Free Application for Federal Student Aid (FAFSA) is an application for financial aid from the government, and is required in order to be considered for any federal or state issued financial aid, in addition to some institutional funds.

★ **Apply:** October 1, 2016 or after (financial aid is first come, first served!) at www.fafsa.gov

★ **Cost:** Free!

★ **What is needed:** Most recent tax/earnings information for you and your custodial parent(s), net worth of investments, checking and savings account amounts, etc.

CSS/Profile: This form is required by some private colleges as listed on www.collegeboard.org. The CSS/Profile gives colleges an in-depth knowledge of you and your family's financial situation to help them determine how to distribute institutional aid to you.

★ **Apply:** October 1, 2015 or after (check site for individual college deadlines) at www.collegeboard.org/profile

★ **Cost:** \$25 for 1st school, \$16 each additional (fee waivers determined by collegeboard.org)

★ **What is needed:** Most recent tax/earnings information for you and your custodial parent(s), investments, checking and savings account amounts, Non-custodial parental information, mortgage/rent info, business info, etc.

Student Aid Report (SAR): This is a summary of information you reported on your FAFSA and will include your family's Expected Family Contribution (EFC). It will be available to view after a few days of submitting the FAFSA. If necessary, you must make corrections, update 2015 tax information via the **IRS Data Retrieval Tool** on the FAFSA, and add colleges. ***It is extremely important that you review your SAR!***

Verification: Colleges may require additional documents to confirm the information you reported on your financial aid forms. For example, you may be asked to provide Official Tax Return Transcripts, proof of citizenship, documentation of legal guardianship (if applicable), etc. Your financial aid award will be pending until you submit all requested documentation by the college's deadline. ***Complete verification ASAP!***

Institutional Financial Aid Forms: Some colleges will require you to fill out their own financial aid forms. These forms will either be sent to you or found online and they are to be sent directly back to the colleges. If you are unsure whether your college(s) requires additional forms, you may visit the school's website or contact the financial aid office. You should also check with each college to make sure that your financial aid file is complete.

Financial Aid Award Letter: Once you have been accepted to a college, and completed all the steps above, the college will then send you a **financial aid award letter**. The award letter will inform you of the amount of financial aid you will receive if you choose to attend that college. ***You should review and compare all award letters before sending a tuition deposit!***

Please keep in mind that the financial aid process continues into the summer with other steps that you must complete!
